

CORONAVIRUS (COVID-19) ALL-STARS CLUB POLICY

In this Coronavirus (COVID-19) organization policy, you'll find all the essential guidelines staff, volunteers, All-Stars, and parents/caregivers should follow during the coronavirus outbreak.

POLICY BRIEF & PURPOSE

This policy includes the measures we are actively taking to mitigate the spread of coronavirus to our volunteers and All-Stars. You are kindly requested to follow all these rules diligently, to sustain a healthy and safe environment in this unique time. It's important that we all respond responsibly and transparently to these health precautions. We assure you that we will always treat your private health and personal data with high confidentiality and sensitivity. This coronavirus (COVID-19) policy is susceptible to changes with the introduction of additional governmental guidelines. If so, we will update you as soon as possible by email.

SCOPE

This coronavirus policy applies to all of our staff, volunteers, All-Stars, and parents/caregivers who are physically present at any of our locations.

POLICY ELEMENTS

Here, we outline the required actions staff, volunteers, All-Stars, and parents/caregivers should take to protect themselves from a potential coronavirus infection.

Company Requirements (W2 Employees & 1099 Contractors):

- If you have persistent cold symptoms for the last 24 hours that are not related to allergens, such as cough/sneezing/fever, or feel poorly, please cancel your registration and do not physically show up.
- If you have a positive COVID-19 diagnosis, you can return to in-person events only after you've fully recovered and show no symptoms for 14 days or can show a negative Covid test.
- If you must travel to/from an area with a high number of COVID-19 cases (based on CDC announcements), you will be asked to contact the Site Director and provide details.
- If you've been in close contact/live with someone infected by COVID-19, you will also be asked not to come into an in-person event for 14 days.

GENERAL HYGIENE RULES:

- Wash your hands after using the toilet, before eating, and if you cough/sneeze (follow the 20-second hand-washing rule). You can also use the sanitizers you'll find around the events.
- Cough/sneeze into your sleeve, preferably into your elbow. If you use a tissue, discard it properly and clean/sanitize your hands immediately.
- Avoid touching your face, particularly eyes, nose, and mouth with your hands to prevent from getting infected.

GENERAL ALL-STARS CLUB RULES:

- All staff, volunteers, and parents/caregivers are required to wear a mask at all times (over the nose and mouth) while in the event.
- We highly recommend masks for All-Stars if they are able/willing to wear one.
- Temperature checks will be required at check in for any participant who stays at the event location.
- Keep at least 6 feet of distance between yourself and other participants as much as possible.
- All-Stars will receive their own art supplies and microphone for each event. Volunteers will ensure these items are not shared. Items will be sanitized and stored at the event's location.
- Sporting equipment and other equipment that will be shared will be wiped down and sanitized after each use.
- Staff and volunteers who post a photo on Social Media and are at an All-Stars Club event, please have a mask on covering your mouth and nose.

By signing this document, I, _____, a participant (staff, volunteer, parent/caregiver) agree to abide by the above. I also understand that this policy may be amended at any time. I am responsible to read and abide by any new or amended policy that is set forth.
